Dear Marilynn:

Enclosed please find the following:

1. The original and two copies of an Ordinance annexing the railroad property. Jefferson County has been corrected to Clark County, and The Jefferson Star to The Post Register.
2. An Ordinance Summary for publication which needs to be signed by the mayor. You can send it to The Post Register for mailing or you can send the original, signed by the mayor, to me for mailing to The Post Register for publication. You will need to fill in the blanks because I do not know exactly how to generally describe the property nor the street address. The statute requires the street address where we publish a summary. When you fill in that information, it is my opinion the summary is true and complete and provides adequate notice to the public. You will need to keep this letter on file with the Ordinance.

I have heretofore sent to you a statement declaring the Ordinance to be true and correct and receipts to be signed by county officials. Also, remember once it becomes effective, a copy must be sent to the Idaho State Tax Commission.

Yours very truly,

BLAIR GROVER
